ADMINISTRATION

PERSONNEL

The PD continues to make progress on the hiring process for new police officers. A final decision has not yet been made on the Assistant City Administrator position. The remainder of the annual performance evaluations are in the process of being completed.

With the holidays a number of employees have scheduled vacation for this past week.

If you're bored with life, if you don't get up every morning with a burning desire to do things, you don't have enough goals."

football coach*

PUBLIC WORKS/PARKS

MISCELLANEOUS

It is sad to say that the weather finally turned cold enough to start putting some water down for the skating rinks. With the future forecast continuing to stay around 30 degrees each day it will be interesting to see how long we can sustain them for skating.

The crew has been at City hall the past week painting the lobby/public areas of the building. We will continue to try and hit some of these types of maintenance issues as long as the weather continues with this warm pattern.
