

# CITY OF CLOQUET City Council Agenda AMENDED Wednesday, February 6, 2019 7:00 p.m. City Hall Council Chambers

#### 5:30 - COUNCIL WORK SESSION

- Citizens Advisory and Library Board Interviews
- Council Retreat Date
- Animal Control Update
- WLSSD I&I Point of Sale Inspections Discussion

- 1. Roll Call
- 2. Pledge of Allegiance
- 3. **Approval of Agenda** 
  - a. Approval of February 6, 2019 Council Agenda
- 4. **Approval of Council Minutes** 
  - a. Work Session minutes from the January 15, 2019 meeting
  - b. Regular Council Minutes from the January 15, 2019 meeting

#### 5. Consent Agenda

Items in the Consent Agenda are considered routine and will be approved with one motion without discussion/debate. The Mayor will ask if any Council members wish to remove an item. If no items are to be removed, the Mayor will then ask for a motion to approve the Consent Agenda.

- a. Resolution No. 19-08, Authorizing the Payment of Bills and Payroll
- b. Water Treatment Plant Change Order No. 1
- c. Resolution No. 19-09, Authorizing the State Library Construction Grant
- d. Arena Transfer Agreement
- e. Resolution No. 19-10, Approving New Lawful Gambling Premises Permit Application, American Legion Post 262

# CITY OF CLOQUET City Council Agenda AMENDED Wednesday, February 6, 2019 7:00 p.m. City Hall Council Chambers

6. **Public Hearings** 

None.

7. **Presentations** 

None.

- 8. Council Business
  - a. Appointment to Citizen's Advisory Board and Library Board
- 9. **Public Comments**

Please give your name, address, and your concern or comments. Visitors may share their concerns with the City Council on any issue, which is <u>not</u> already on the agenda. Each person will have <u>3 minutes</u> to speak. The Mayor reserves the right to limit an individual's presentation if it becomes redundant, repetitive, irrelevant, or overly argumentative. All comments will be taken under advisement by the Council. No action will be taken at this time.

- 10. Council Comments, Announcements, and Updates
- 11. **Adjournment**

#### **ADMINISTRATIVE OFFICES**

1307 Cloquet Avenue • Cloquet MN 55720 Phone: 218-879-3347 • Fax: 218-879-6555 email: areeves@cloquetmn.gov www.cloquetmn.gov

#### REQUEST FOR COUNCIL ACTION

To:

Honorable Mayor and City Council

From:

Aaron S. Reeves, City Administrator

Date:

February 6, 2019

ITEM DESCRIPTION:

Police Citizen Advisory Board (CAB) and Library Board Interviews &

**Appointments** 

**Proposed Action** 

Interview two candidates for the open CAB seat and two candidates for the open Library Board seat at the Work Session. Appoint one applicant to the CAB and one applicant to the Library Board at the regular meeting.

#### **Background/Overview**

The Council will interview and appoint applicants to the CAB and Library Board.

#### **Supporting Documentation Attached**

- Interview Questions
- Applications
- Appointment Policy

Full reply to why I wish to serve on a board (electronic form truncated my reply):

Since I have free time now, which I never did during my career, I want to contribute to my community. Policing issues are important to me, as I have a nephew who serves, and worry daily about his putting his life on the line. I also have grave concerns, however, when I see cases of departments abusing their authority. I recognize the fine balance that needs to be reached in this regard. I am also a strong believer that good communications between law enforcement and the citizens it protects leads to mutual trust and respect, which in turn results in safer communities. The planning commission also interests me. Being fairly new to the city, my "outsider" perspective is that Cloquet's zoning appears rather haphazard. I'd like to learn more about what goes into zoning decisions, and contribute ideas for productive changes where appropriate. Owning a higher-end home (by local standards), I of course want to protect my own property values, but also feel that the city as a whole could benefit from stronger planning. For some reason, I find myself particularly drawn to the character of the West side of downtown (was broken hearted when Avenue C closed), and would love to contribute to its revitalization.

### GUIDELINES FOR ADVISORY COMMISSION APPOINTMENTS AND PROCEDURES POLICY

#### I. PURPOSE

- A. Assure balanced and fair access to the appointment process for all City advisory commission positions appointed by the City Council.
- B. Set up a uniform recruitment and selection policy for all eligible applicants to the City advisory commissions.
- C. Establish and outline the role of advisory commissions and commissioners within the City of Cloquet in a clear format.
- D. Provide applicants to City advisory commissions with necessary information pertinent to their position as an advisory commission member.

#### II. POLICY

It is the purpose of this policy to provide fair and consistent guidelines to be followed in regards to the application, appointment, orientation and role of advisory commissioners.

#### III. PROCEDURE

#### A. Application Process

- 1. Advertisements will be included on the City's website and will be included in the City's official newspaper.
- 2. The advisory commission application will be included on the City of Cloquet website.

#### B. Appointment Process

- 1. If there are more applications than positions available for any commission openings each applicant will be asked to take part in a fifteen-minute interview with the City Council.
- 2. The interview will consist of open ended questions based on the commission each applicant wishes to serve on, along with standard questions to be asked of all applicants.
- 3. A majority of the Council must approve an appointment.

#### C. Orientation

- 1. Each appointed advisory commissioner will receive an orientation packet, which contains all pertinent information to the specific advisory commission on which the commissioner will be serving.
- 2. Orientation meetings will be conducted, consisting of all new advisory commission members and the staff liaisons to each advisory commission.
- 3. Guidelines will be discussed during the orientation process regarding the advisory commissions' relationship to the City Council, emphasizing the advisory commissions' advisory nature to the City Council.

#### D. Attendance Policy

- 1. In the event that an advisory commissioner is absent from three meetings in a row, he or she may be removed from the advisory commission.
- 2. Attendance records shall be included in the advisory commission meeting minutes.
- 3. Alternate members on each commission are asked to attend all commission meetings; however, alternate members are only permitted to vote in the event that a regular commission member is not present.

#### IV. RESPONSIBILITY

By accepting this policy, the City of Cloquet accepts responsibility to enact the guidelines and policies as proposed. Any proposed modifications to the policy must be submitted to the City Council for consideration and approval.

#### REQUEST FOR COUNCIL ACTION

To:

Honorable Mayor and City Council

From:

Aaron S. Reeves, City Administrator

Date:

February 6, 2019

ITEM DESCRIPTION:

Council Retreat

#### **Proposed Action**

Finalize a Council retreat date.

Background/Overview

After two rounds of polling there is not a weekend date through the end of April that works for all Council Members. The closest we have is February 23<sup>rd</sup> where all but Council Member Carlson can attend or February 24<sup>th</sup> where all but Council Member Lamb can attend. The Council should decide if they want to proceed with a member missing or start looking at dates during the week.

Animal Control Update

#### **Proposed Action**

Review proposed action plan to address stray animals.

#### **Background/Overview**

The City and County have been reviewing numerous options to address stray animals in the County after the closure of Friends of Animals. Staff will provide details on a proposed course of action that has been reviewed with all the other governmental units in the County. If the Council supports the direction recommended, staff with work with the other governmental units to implement as soon as possible.

Inflow and Infiltration Ordinance - Work Session Discussion

#### **Proposed Action**

No action required, information provided to the City Council for background only at this time.

#### **Background/Overview**

Inflow and Infiltration (I&I) is clean unpolluted water that enters the sanitary sewer system. Typically, I&I increases with wet weather when high groundwater levels works its way into sewer pipes and manholes. The City has been addressing this problem on the public portion of the sewer system. The private side of this system also requires attention. In an effort to establish a program to deal with the private portion of the sewage collection system, WLSSD has put in place an ordinance that requires cities that discharge to their system to develop a program that addresses I&I in private sewer services.

Attached is the Ordinance that WLSSD adopted in 2017. Customers of WLSSD are required to develop a plan that meets the guidelines laid out in the WLSSD ordinance by February 2020. Public works staff is beginning the process to develop a draft policy addressing the WLSSD Ordinance. This policy will ultimately be incorporated into City Code.

City staff is sharing this information with the City Council at the onset to inform the Council on this effort and solicit feedback on the direction and content of this policy

#### **Supporting Documents Attached**

• WLSSD Ordinance Establishing Standards for Reduction of Inflow and Infiltration

#### WESTERN LAKE SUPERIOR SANITARY DISTRICT ORDINANCE ESTABLISHING STANDARDS FOR REDUCTION OF INFLOW AND INFILTRATION

#### Amended June 26, 2017

#### Article I: Authority and Purpose.

Section 1.1 The Western Lake Superior Sanitary District ("WLSSD") was established by the Laws of the State of Minnesota as codified in Minn. Stat. Chapter 458D. WLSSD owns and operates a network of interceptor sewers and a regional treatment facility (collectively referred to as the Treatment Works) for the collection and treatment of municipal and industrial wastewater from sources within WLSSD boundaries. To ensure the best use of the Treatment Works, WLSSD regulates and enforces its responsibilities through a series of ordinances, agreements and enforcement mechanisms. The capacity allocation system regulates the distribution of finite Treatment Works capacity among customers. This Ordinance establishes standards for the reduction of Inflow and Infiltration ("I & I") from municipal wastewater customers through the requirement of the preparation and implementation of I&I ordinances, annual reduction plans and progress reports, elimination of I & I through Sump Pump and Sewer Service Lateral compliance programs for structures and the enforcement of penalties for failure to comply. This Ordinance will protect the health, welfare and safety of the public and the environment by requiring the reduction of I & I, minimizing the risk of overflows in the wastewater conveyance and treatment system ("WCTS").

#### Article II: Definitions.

- Section 2.1 "Actual Peak Flow" means the highest one-hour wastewater flow rate measured in million gallons per day (MGD) actually discharged by a Municipal Customer within any individual clock hour (60-minute average) of any calendar day (24-hour period) based on measurement determined and recorded by WLSSD.
- Section 2.2 "Average Dry Weather Flow" means the flow in a sanitary sewer during periods of dry weather in which the sanitary sewer is under minimum influence of inflow and infiltration. The average daily flow in the month of January is typically used.
- Section 2.3 "Permitted Peak Flow" means the highest one-hour wastewater flow rate measured in million gallons per day (MGD) allowable per User within any individual clock hour (60-minute average) of any calendar day (24-hour period) as identified in the Customer's Capacity Allocation Permit. This value is determined by averaging on a five-year basis the Average Dry Weather Flow for each municipal customer and applying the wet weather Municipal Peak Flow Standards as included in the WLSSD Comprehensive Wastewater Services Plan. For industrial customers the Permitted Peak Flow rate is based upon the remaining hydraulic capacity of the WLSSD system.

- Section 2.4 "Capacity Allocation Permit" means the permit issued by WLSSD and signed by a Customer which sets wastewater discharge limits for the Customer.
- Section 2.5 "Capacity Availability Fee" means the WLSSD fee for new connections to, and estimated expanded uses of, the WCTS.
- Section 2.6 "Certificate of Sump Pump or Foundation Drain Disconnection I&I Compliance" means a certificate issued by the Municipal Customer to verify that a building being sold, transferred or otherwise conveyed, or subject to any of the requirements, including a Capacity Availability Fee payment, as provided in Section 7.3 A, is not contributing Inflow and Infiltration to the WCTS.
- Section 2.7 "Executive Director" means the person occupying the position of Executive Director of WLSSD or the designee of the Executive Director.
- Section 2.8 "Foundation Drain" means an exterior drainage system installed at the footings of a building foundation that collects and diverts water to daylight or to a catch basin where it is pumped to daylight or a storm drain.
- "Inflow and Infiltration" or "I&I" means infiltration, which is water that seeps or flows into a damaged or leaking portion of the WCTS from the surrounding soil; and inflow, which is unwanted water, such as rainwater or melting snow, which enters the WCTS through a direct connection. I&I describes the overall problem of rainwater and groundwater contributing to wastewater flows in the WCTS.
- Section 2.10 "MGD" means million gallons per day.
- Section 2.11 "Municipal Customer" or "Customer" means the cities of Duluth, Proctor, Hermantown, Cloquet, Carlton, Scanlon, Rice Lake and Wrenshall, the townships of Thomson, Midway and Twin Lakes, the Pike Lake Area Wastewater Collection System, the Duluth/North Shore Sanitary District, the Village of Oliver, Wisconsin, the Knife River-Larsmont Sanitary District, and any other governmental entity which discharges wastewater directly to the WLSSD wastewater conveyance system and is not a wastewater customer of another governmental entity.
- Section 2.12 "New Use" means the development or redevelopment of a property for a different residential, business or industrial use evidenced by the requirement of a building or plumbing permit issued by a Municipal Customer.

- Section 2.13 "Sewer Connection" means the addition of a new use to a municipal sewer system resulting in the increased discharge of wastewater into this system without extending or altering the existing public sanitary sewer infrastructure.
- Section 2.14 "Sewer Extension" means extending, expanding or altering sanitary sewer mains, trunks, interceptors or other sewer projects that may prepare for future expansions or services, even if no new flow is initially added. This may include increasing the size of an existing pipe or installing additional pumps or larger pumps to increase pumping capacity.
- Section 2.15 Sewer Service Lateral or Service Lateral means the privately owned pipeline connecting a structure to the publicly owned sewer main or interceptor.
- Section 2.16 "Sump Pump" is a pump used to remove water that has accumulated in a water collecting sump basin, commonly found in the basement of a structure.
- Section 2.17 "Wastewater Collection and Transmission System" ("WCTS") means the system for wastewater collection and transmission, including all pipes, force mains, gravity sewer lines, lift stations, pumping stations, and appurtenances owned and operated by WLSSD and the municipally owned portion of the system which collects wastewater from residences and businesses and conveys it to the portion of the system operated by WLSSD.

#### Article III: Peak Flow Compliance.

Section 3.1 <u>Municipal Reduction</u>. A Municipal Customer must take appropriate action to ensure that its Actual Peak Flow is reduced to a level no higher than the Permitted Peak Flow specified in the Municipal Customer's Capacity Allocation Permit.

#### Article IV: Reporting Requirements

Section 4.1 Any Municipal Customer with a wastewater treatment Capacity Allocation Permit must file the following reports with the Executive Director.

A. Permitted Peak Flow Exceedance Report. If a Municipal Customer has an Actual Peak Flow which exceeds the Municipal Customer's Permitted Peak Flow as described in Article III, WLSSD will notify the Municipal Customer of the exceedance in writing quarterly each year. Within 30 days of being notified of a Permitted Peak Flow exceedance by WLSSD, the Municipal Customer must provide a written evaluation of what caused the exceedance(s), what actions will be taken to correct the exceedance(s) and when these actions will be completed. The written evaluation must provide written verification that the plans and timelines detailed in the Annual Report will eliminate further exceedances.

If the Municipal Customer has a release of wastewater to the environment from any part of the municipally owned portion of the WCTS, then the Municipal Customer must call the Minnesota Duty Officer as required by Minnesota Statute Section 115.061 as soon as possible and complete an Incident Report as described below:

<u>Incident Report</u>. The incident report must be submitted to WLSSD by the 10<sup>th</sup> calendar day of the month immediately subsequent to the month that the release occurred. The report must include:

- 1. The Duty Officer report number;
- 2. If the Municipal Customer has been notified by the MPCA that a release sampling report must be filed along with the Duty Officer report, then a copy of the release sampling report must be included with the Incident Report;
- 3. The date and time the release began and ended;
- 4. The location of the release; and
- 5. The estimated volume of the release.
- B. <u>Annual I&I Reduction Plan and Progress Report ("Annual Report")</u>. By February 15<sup>th</sup> of each year each Municipal Customer must submit an Annual Report. This report must include an engineer's certification and be verified by an authorized representative of the Customer. The Annual Report must contain the following information:
  - 1. Detailed documentation of I & I identification and reduction activities carried out during the reporting year and amount of funds expended. This report should identify the roof drain and footing drain disconnections, manhole covers plugged and sealed, cross connections eliminated, service laterals lined, manholes rehabilitated or replaced, a description of sanitary sewer lines rehabilitated or replaced and other reduction activities. This report should also include the linear feet of sanitary sewer televised, smoke test results, flow monitoring information, footing drain inspection reports, and other I & I identification tasks completed. This report must also include a summary of the previous year's budget for I & I reduction activities, comparing planned expenses to actual expenses and explaining the variance.
  - 2. Detailed plans of I & I identification and reduction activities that the municipality will complete during the upcoming calendar year. These plans should include activities, expenditures, timelines and milestones.
  - 3. A copy of the most recent version of the Municipal Customer's sewer ordinance, and a summary of any proposed revisions for the next 12 months. The sewer ordinance must be in conformance with the WLSSD Model Ordinance Regulating the Use of Public and Private Sewers.

- 4. Copies of any information distributed to the public concerning I & I reduction.
- 5. A list of Permitted Peak Flow exceedances and wastewater overflows that occurred within the municipality during the previous calendar year with detailed plans and timelines to correct the exceedances and overflows.
- 6. A quantitative assessment of I & I reduction progress accomplished during the reporting year.
- 7. A summary of any new connections to the public sanitary sewer system including an updated public sanitary sewer system map.
- 8. A summary of key maintenance activities and standards utilized to improve or maintain the integrity of the collection system.
- 9. All information required in Sections 7.2 D and 7.3 D of this Ordinance.

Section 4.2 <u>Adequacy of Submittals</u>. WLSSD will review Submittals (Permitted Peak Flow Exceedance Report, Incident Report, and Annual Report (collectively referred to as "Submittals")) to determine if the Customer has met all requirements of Section 4.1 above. The review will be completed within 45 days after Submittal is received by WLSSD. If notified in writing by WLSSD that the Submittal does not satisfy Section 4.1 requirements, a corrected Submittal must be filed by the Customer within 45 days of the notice.

#### Article V: Penalties

- Section 5.1 <u>Noncompliance</u>. If a Customer fails to file a Submittal within the deadlines established, fails to substantially comply with the I & I reduction activities and timelines set forth in its Submittals, fails to timely comply with any of the requirements in Article VII or is not making substantial progress in reducing its Actual Peak Flow to the limits described in Article III, then the Customer is noncompliant and subject to one or more of the following penalties as determined by the Executive Director:
  - A. No extension and/or connections of Customer's sewer lines will be permitted until such time that the Customer is in compliance with the provisions of this Ordinance; or
  - B. Extensions and/or connections of Customer's sewer lines may be limited and subject to the terms or conditions set forth by the Executive Director until Customer is in compliance with the provisions of this Ordinance.
  - C. A civil penalty of up to \$500 per day, beginning on the first day of noncompliance and continuing until the Customer is in compliance with the provisions of this Ordinance.
- Section 5.2 <u>Notice of Noncompliance</u>. WLSSD will send written notice to a Customer of a finding of Noncompliance, setting forth the basis for the determination, any

penalties imposed on the Customer, and the actions the Customer must take to comply with the Ordinance.

Section 5.3 <u>Noncompliance Resulting in a Release</u>. If the Executive Director finds a Customer is noncompliant with this Ordinance and the Customer Permitted Peak Flow exceedance as described in Article III results in a release of wastewater to the environment, then the Executive Director may assess a civil penalty of up to \$1000 for each such Permitted Peak Flow exceedance. These penalties are in addition to the penalties set forth in Section 5.1 above. If multiple Customers located upstream of a release location contributed Actual Peak Flow exceeding that Customer's Permitted Peak Flow as described in Article III and are noncompliant, then each Customer will be assessed the full penalty.

Section 5.4 Notice and Payment. WLSSD will send written notice to a Customer of a civil penalty under Section 5.3, setting forth the date of the violation, approximate time when the violation occurred, Actual Peak Flow at the time of violation, and the amount the Actual Peak Flow exceeded the Permitted Peak Flow. Prior to the end of the calendar year, WLSSD will notify each Customer which has received a notice of violation that year of the total amount of the penalty due for that year. The penalty shall be paid no later than ninety (90) days from the date of the notice of the total penalty due. Extensions to the payment period may be granted by the Board, subject to a showing of hardship by the applicant.

#### Article VI: Appeal

Section 6.1. Any Municipal Customer can challenge by written notice of appeal a decision of the Executive Director made under this Ordinance. The appeal will be decided by the Board. In the notice of appeal the Customer must provide the Board with a written explanation of the reasons supporting the appeal and setting forth the requested relief. The written notice of appeal must be submitted to the Executive Director within thirty (30) days of the date of the written notice of the finding of noncompliance or the written notice of the imposition of a penalty or the written notice of any other decision by the Executive Director under this Ordinance which is adverse to the Customer. The appeal hearing will follow the process set forth in Section 3.6 of the WLSSD Solid Waste Ordinance, unless the parties mutually agree to an alternate appeal hearing process which is defined in writing and signed by both parties.

## Article VII: Sewer Service Lateral and Sump Pump or Foundation Drain Disconnection Compliance Programs

Section 7.1. Written Plan. Each Municipal Customer shall provide to the Executive Director by no later than February 15, 2019 a written Plan describing how the Municipal Customer will satisfy the requirements of this Article. This plan can be submitted separately or included as part of the Annual Report reference in Section IV Part B. The written Plan must address both Sump Pump or Foundation Drain Disconnection and Sewer Service Lateral inspection and correction. The Executive Director will review the Plan and either approve or reject the Plan based on its compliance with the requirements of Article VII. If rejected, the Executive Director will notify the Municipal Customer of the deficiencies in the Plan. An

amended Plan must be submitted by the Municipal Customer within 45 days of notice of the deficiency.

Section 7.2. <u>Sewer Service Lateral Compliance Program.</u> Each Municipal Customer must adopt and enforce an effective Sewer Service Lateral inspection and correction program for structures connected to the WCTS which is designed to prevent any building or structure from contributing Inflow and Infiltration to the public wastewater collection system, regardless of the manner in which the I & I is entering the Sewer Service Lateral.

- A. The inspection and correction program must be based on one or more of the following:
  - 1. Property Transactions. A program to inspect and correct Sewer Service Laterals upon a change in real property title or property ownership with one or more buildings or structures located thereon, or upon a significant change in use of one or more buildings or structures located thereon, or upon certain modifications to the plumbing system, so that no such building or structure is contributing Inflow and Infiltration to the WCTS.
  - 2. Annual Inspection. A program developed by the Municipal Customer to systematically inspect and correct all Sewer Service Laterals by identifying the number and location of inspections to be done each year to verify that no building or structure is contributing Inflow and Infiltration to the WCTS.
- B. The inspection and correction program must be structured so that the compromised Sewer Service Laterals contributing Inflow and Infiltration to the WCTS within the jurisdiction of the Municipal Customer are corrected within a reasonable period of time, as determined in the discretion of the Executive Director.
- C. The inspection and correction program must include the following components:
  - 1. An annual targeted number of Sewer Service Laterals to be inspected each year and the percentage of the annual target related to the number of Sewer Service Laterals within the jurisdiction of the Municipal Customer.
  - 2. An annual targeted number of Sewer Service Laterals to be corrected or repaired each year.
  - 3. The method used to inspect the Sewer Service Laterals (televising, pressure test, etc.) and the standard to be applied to determine if a Sewer Service Lateral is compliant, including the following:.
    - (a) Free of roots, grease deposits, and other solids which may impede or obstruct flow,

- (b) All joints must be watertight and all pipes shall be intact and not deformed,
- (c) Free of any structural defects such as cracks, breaks, openings or missing portions,
- (d) All clean-outs shall be securely sealed with a proper cap or approved overflow device at all times, and
- (e) There shall be no non-sanitary sewer connections to the Sewer Service Lateral or any plumbing that connects thereto.
- (f) As an alternative, the inspection of the Service Lateral can be conducted by televising the Municipal Customer main sewers during wet weather events to identify I&I from Service Laterals.
- 4. The method used by the Municipal Customer to target Sewer Service Laterals for repair (point of sale, during planned municipal road or sewer work, etc.).
- 5. A description of the enforcement system used by the Municipal Customer to deter noncompliance.
- 6. A description of the system used by the Municipal Customer to address repairs needed on shared or common Sewer Service Laterals.
- D. The following information shall be included in the Annual Report submitted by the Municipal Customer pursuant to Article IV:
  - 1. The location by address of the Sewer Service Lateral corrections completed during the reporting period.
  - 2. An estimate of the total number of Sewer Service Laterals within the jurisdiction of the Municipal Customer.
  - 3. The address of Sewer Service Laterals inspected by the Municipal Customer during the reporting period and found to be compromised.
  - 4. The address of Sewer Service Laterals inspected by the Municipal Customer during the reporting year which were found to be in compliance with Sewer Service Lateral program requirements.
- Section 7.3. <u>Sump Pump or Foundation Drain Disconnection Compliance Program.</u> Each Municipal Customer must adopt and enforce an effective inspection and correction program which must include:

- A. A requirement that the owner of any dwelling structure, commercial building structure or other building or land upon which such buildings are located which are connected to the WCTS, shall obtain a Certificate of Sump Pump<u>or Foundation Drain Disconnection</u> I&I Compliance from the Municipal Customer (i) prior to selling, transferring, or conveying an interest or entering into an agreement to sell, transfer or otherwise convey an interest in such property, or (ii) upon a determination that the owner of a structure with a new or existing connection to the WCTS must pay a Capacity Availability Fee as a result of a New Use or anticipated wastewater flow increase calculated in accordance with the WLSSD Capacity Availability Fee Procedures Manual in effect at the time of the calculation.
- B. A requirement that no owner of real estate described in subsection (A) above shall sell, transfer or otherwise convey an interest or enter into an agreement to sell, transfer or otherwise convey an interest in such property without either (i) presenting the prospective purchaser or grantee with a copy of a Certificate of Sump Pump or Foundation Drain Disconnection I&I Compliance for the subject property or (ii) entering into an agreement as provided in subsection (C) below.
- C. A requirement that property inspected and found to need a Foundation Drain disconnection but determined to have either no sump pump, a sump pump that is not in use, a sump pump that is malfunctioning or discharging into the WCTS, or a Foundation Drain or other source that is discharging I & I into the WCTS be corrected within 120 days of the transfer of the property. The Municipal Customer must have in place a process to compel the Sump Pump or Foundation Drain correction which may be either pursuant to an agreement between the parties together with the escrow of 125% of the repair costs, or pursuant to an alternate process designed to compel the correction.
- D. The following information shall be included in the Annual Report submitted by the Municipal Customer pursuant to Article IV:
  - 1. The location by address of the structures where Sump Pumps or Foundation Drain disconnections were installed during the reporting period.
  - 2. The total number of Sump Pump installations or Foundation Drain disconnections certified by the Municipal Customer to be in compliance.
  - 3. The address of structures inspected by the Municipal Customer during the reporting period and found to require Sump Pump installation.
  - 4. The address of structures inspected by the Municipal Customer during the reporting period and found to require Foundation Drain disconnections other than through use of a Sump Pump.

- 5. The address of structures inspected by the Municipal Customer during the reporting year which were found to be in compliance with Sump Pump or Foundation Drain disconnection program requirements.
- Section 7.4. <u>Record Retention</u>. The inspection records and all documents relating to the requirements of Article VII shall be retained by the Municipal Customer and available to the Board for a minimum of 7 years and not less than the period required by Minnesota law for public records retention for these documents.
- Section 7.5 <u>Enforcement Date.</u> The approved Inflow and Infiltration compliance Plan for each Municipal Customer must be in effect and enforceable no later than February 15, 2020. If the Municipal Customer fails to meet the deadline in this Section, the Municipal Customer is in Noncompliance and subject to the penalties in Article V.

#### **Article VIII: Effective Date**

This amended Ordinance is effective January 1, 2018.

Dated: June 24, 2017.

SANITARY BOARD OF THE WESTERN LAKE SUPERIOR SANITARY DISTRICT

### **Cloquet City Council Work Session**

Tuesday, January 15, 2019

**DRAFT** 

Present: W. Carlson, D. Koski, S. Lamb, K. Kolodge, S. Langley, L. Wilkinson, Mayor Maki

**Absent:** None

**Staff:** Reeves, Barlcay, Klassen, Peterson

### **Council Retreat**

Mr. Reeves discussed the importance of having a Council retreat this spring, especially now with new Council members. A retreat would give an opportunity to lay out priorities with a more focused direction. The retreat will also include time with department heads. Council agreed to have the retreat facilitated by staff rather than an outside agency. Mr. Reeves will send out a short questionnaire to Councilors to help organize topics as well as a list of available dates.

### **Wilderness Agreement**

Mr. Reeves reviewed the 3 arena agreements with the City; CAHA, ISD 94 and the Wilderness. All are on tonight's agenda for approval. He also summarized the responsibilities of each party involved. Discussion followed regarding payment amounts and schedules, sales tax dollars being used for larger arena maintenance, and operational items being funded by the City.

Public Works Director Peterson clarified that the City cannot take over arena operations because the City does not have adequate staffing to run programming. Any staff hired would result in charges to the associations to cover those costs. Programming now is run by the association volunteers who know what they are doing.

Discussion on large arena upgrades, such as locker room improvements, will be part of the capital improvement budget. Mr. Reeves explained that sales tax dollars may be used if it becomes available and that Council approval will be requested for arena projects.

### **Library Grant**

Mr. Reeves gave the history of the library expansion project. The previous Council authorized the library to apply for a \$1 million library construction grant from the state which resulted in a \$784,000 award. If any other libraries turn down their grant award, we will have the opportunity to get those funds. Mr. Reeves is asking for direction from Council whether or not to move forward with the grant agreement. Moving forward will result in the City contributing approximately \$80,000 to the project. Discussion followed on other entities that use the library contributing funds to the project. Council agreed to move forward with the grant agreement.

### **Council Meeting Live Streaming**

Mr. Reeves has been researching live streaming systems for Council and commission meetings to be installed when the new council chambers is constructed. He explained the system will automatically turn on and start streaming based on the dates/times we have entered into the system. Meetings will also automatically be archived on the City's website. Live steaming will allow for City transparency.

# **Other Discussion**

Mr. Reeves stated he is going to resume the Cable Commission and will reach out to current members and other interested individuals to be appointed to the commission by Council. Discussion followed regarding current programming, opportunities available, and personnel.

There being no further business, the meeting adjourned at 6:58 p.m.

Respectfully Submitted,

Aaron Reeves City Administrator Council Chambers, Cloquet, Minnesota 7:00 P.M. January 15, 2019

Regular Meeting

**DRAFT** 

Roll Call

Councilors Present:

Carlson, Koski, Lamb, Kolodge, Langley, Wilkinson, Mayor Maki

Councilors Absent:

None

Pledge of Allegiance

**AGENDA** 

MOTION:

Councilor Kolodge moved and Councilor Carlson seconded the motion to approve the January 15, 2019 agenda. The motion carried unanimously (7-0).

**MINUTES** 

MOTION:

Councilor Langley moved and Councilor Wilkinson seconded the motion to approve the minutes of the Work Session and Regular Meeting of January 2, 2019. The motion carried unanimously (7-0).

### **CONSENT AGENDA**

MOTION:

Councilor Kolodge moved and Councilor Lamb seconded the motion to adopt the amended Consent Agenda with the exclusion of item 5.g., *Purchase of New Duty Handguns* and adding it to Council Business as item 8.c, approving the necessary motions and resolutions. The motion carried unanimously (7-0).

- a. Resolution No. 19-04, A Resolution Authorizing the Payment of Bills
- b. Council Appointments to Various Boards/Commissions
- c. Public Works Position Appointments
- Resolution No. 19-06, A Resolution Supporting State Law that Provides Limited Liability to Commercial Salt Applicators that are Certified through an Established Voluntary Salt Applicator Certification Program
- Consideration of Appointments to Planning Commission and CAFD, and Reappointment to Library Board
- Resolution No. 19-07, A Resolution Approving a Conditional Use Permit, Ryan & Zack, LLC
- g. Acceptance of K9 Donation
- Resolution No. 19-05, A Resolution Approving Exempt Raffle Permit, Knights of Columbus
- i. Temporary On-Sale Liquor License Queen of Peace

### **PUBLIC HEARINGS**

There were none.

### **PRESENTATIONS**

Pam Saarala of Minnesota Energy Resources, presented the City with a \$10,000 grant award for an extension of the Pine Valley bike trail. The award was accepted by Tim Krohn on behalf of the City's Park's Commission.

### PINE VALLEY ARENA REPAIR ASSISTANCE

MOTON:

Councilor Wilkinson moved and Councilor Kolodge seconded the motion to approve paying CAHA \$25,000 from the City's Capital Fund, to be reimbursed by Sales Tax revenue, to assist in repairs made to the Pine Valley Arena's heating system, ice system, and hot water heater totaling roughly \$50,000. The motion carried unanimously (7-0).

### NORTHWOODS ARENA USE AGREEMENTS

MOTION:

Councilor Lamb moved and Councilor Carlson seconded the motion to approve the Arena Use Agreements between the City and CAHA, Cloquet School District, and the Minnesota Wilderness. The motion carried unanimously (7-0).

### PURCHASE OF NEW DUTY HANDGUNS

MOTION:

Councilor Kolodge moved and Councilor Carlson seconded the motion to table purchase approval for twenty-six H&K VP9 duty handguns from Dead On Arms as replacements for the Police Department's current Glock duty handguns, until a quote can be received from a Glock representative for the purchase and potential trade-in of the Glock handguns currently being used. The motion carried unanimously (7-0).

### PUBLIC COMMENTS

Isaac Saarberg, 203  $16^{th}$  Street, addressed the Council expressing his support for Eric Lipponen's reinstatement to full time status.

Teresa Backus, 425 7th Street, stated her support of Councilor Lamb's request for the City to research renewable energy options for City facilities.

### COUNCIL COMMENTS, ANNOUNCEMENTS, AND UPDATES

There were none.

On a motion duly carried by a unanimous yea vote of all members present on roll call, the Council adjourned.

Aaron Reeves, City Administrator

# REQUEST FOR COUNCIL ACTION

To:

City Council

From:

Caleb Peterson, Public Works Director

Reviewed By:

Aaron Reeves, City Administrator

Date:

February 5, 2019

ITEM DESCRIPTION:

Water Treatment Plant - Change Order No. 1.

### **Proposed Action**

Staff recommends that the City Council move to approve Change Order No. 1 to the water treatment plant construction contract.

### **Background**

Work is currently underway to construct Water Treatment Plant No. 1 at the City garage site. Once authorized, the cost of work is typically determined using a unit price or allowance submitted by the lowest responsible bidder for each work item in a contract. Sometimes during construction, unforeseen conditions arise which force us to alter the scope of work. When a unit price for the extra work is not included in the original contract, a price must be negotiated with the contractor amending the original contract. The recommended changes are then brought to City Council for authorization in the form of a Change Order.

The City's consulting engineer for this project (Short Elliot Hendrickson) has reviewed this change order and found it to be necessary and reasonable.

### **Policy Objectives**

N/A.

### Financial/Budget/Grant Considerations

The original contract price for this project was \$6,629,120.00 and the total of Change Order #1 will increase this amount by \$9,921.45 or 0.15%. All projects of this size and complexity are expected to incur some changes. With approximately 31% of contract paid to date, a contract amendment of less than 1% indicates construction is going very well and the design plans and specifications have been impressively comprehensive to date.

The City was awarded a Drinking Water Revolving Fund Loan from the Minnesota Department of Health to fund this project.

# **Advisory Committee/Commission Action**

None.

RE: City of Cloquet

Water Treatment Plant No. 1 SEH No. CLOQU 144728 73.00

Caleb Peterson Director of Public Works City of Cloquet 1307 Cloquet Avenue Cloquet, MN 55720

Dear Caleb:

Attached are electronic copies of Application for Payment No. 5 and Change Order No. 1 from Magney Construction, Inc. This application for payment is for work on the Water Treatment Plant No. 1 project through January 11, 2019. I have reviewed this application for payment and believe it to accurately reflect the work completed through the above referenced date. We recommend that the City pay the requested amount of \$442,221.57. Please sign a copy of both Pay Application No. 5 and Change Order No. 1 and send copies to both Peter Aldritt at Magney Construction and myself.

For reference, Change Order No. 1 represents 0.15 percent of the total original project cost. Including the recommended payment for Change Order No. 1 and Pay Application No. 5, the value of the contract is approximately 31 percent paid.

Additionally, we have reviewed the Contractor Payroll Reports for the time period associated with this Pay Application. Based upon our review, the certified payroll records received in connection with Pay Application 5 from Magney Construction, Inc. are in compliance with the U.S. Department of Labor prevailing wage requirements of 29 CFR 5.5(a)(1).

If you have any questions regarding this application for payment or the payroll reports please call me at (320) 229-4306.

Sincerely.

Kevin Young, PE Project Engineer

kby

### REQUEST FOR COUNCIL ACTION

To:

Honorable Mayor and City Council

From:

Aaron S. Reeves, City Administrator

Date:

February 6, 2019

ITEM DESCRIPTION:

Library Grant Support Resolution

### **Proposed Action**

Approve the Library Grant Support Resolution as presented.

### **Background/Overview**

The City is still working with the State to finalize the State Library Construction Grant Agreement that will provide \$784,000 towards the library expansion project. As part of the grant agreement the attached resolution must be approved. The final grant agreement will be brought to the Council for review and possible approval at a future meeting.

### **Supporting Documentation Attached**

- Resolution 19-09

# CITY OF CLOQUET COUNTY OF CARLTON STATE OF MINNESOTA

# **RESOLUTION NO. 19-09**

# A RESOLUTION AUTHORIZING THE STATE LIBRARY CONSTRUCTION GRANT

WHEREAS, the City of Cloquet applied for a competitive library construction grant administered through the Minnesota Department of Education for the Library Renewal Project and,

WHEREAS, the city requested \$1 million in funds, the maximum possible from the \$2 million grant pool and has been offered a grant in the amount of \$784,000 for the Library Renewal Project contingent upon the completion of the end grant agreement requirements and,

WHEREAS, the \$784,000 grant award would be applied towards the construction project costs of the Cloquet Public Library and,

WHEREAS, the City of Cloquet affirms they own the library building and will follow the assurances in the end grant agreement and grant application,

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CLOQUET, MINNESOTA, to adopt a resolution authorizing the grant project, acknowledging the city owns the library building and affirming the city will follow the assurances in the grant application and end grant agreement and will comply with the requirements outlined in the Capital Grants Manual.

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF CLOQUET THIS 6<sup>TH</sup> DAY OF FEBRUARY 2019.

	Roger Maki, Mayor

ITEM DESCRIPTION:

New Lawful Gambling Premises Permit Application for the American

Legion at the Northeastern Hotel, Saloon & Grille

### **Propose Action**

Staff recommends that the City Council move to adopt RESOLUTION NO. 19-10, A RESOLUTION APPROVING NEW LAWFUL GAMBLING PREMISES PERMIT APPLICATION FOR THE AMERICAN LEGION POST 262.

### **Background**

The City has received a request from the American Legion Post 262 for a new Premises Permit for lawful gambling at the Northeastern Hotel, Saloon & Grille, 115 St. Louis Avenue.

No organization is permitted under City Code 6.7.03, Subd. 3(c) to have more than three (3) permitted establishments. This is the first permit for the American Legion Post 262 at this location.

### **Policy Objectives**

Approval of application by local community is required under MN Statutes.

### **Financial Impacts**

The City does not charge a fee for the permit. Per Section 6.7.03, Subd. 1(b) of the Municipal Code, ten percent (10%) of the net profits from the operation of gambling equipment in the City by charitable organizations shall be donated to the City.

### **Advisory Committee/Commission Action**

None.

# **Supporting Documents Attached**

- Resolution No. 19-10
- LG214 & LG215

# CITY OF CLOQUET COUNTY OF CARLTON STATE OF MINNESOTA

### **RESOLUTION NO. 19-10**

# A RESOLUTION APPROVING NEW LAWFUL GAMBLING PREMISES PERMIT APPLICATION FOR AMERICAN LEGION POST 262

WHEREAS, The City of Cloquet has received a request from the American Legion Post 262 for a new Premises Permit for gambling at the Northeastern Hotel, Saloon & Grille, 115 St. Louis Avenue.

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF CLOQUET, MINNESOTA, That the City Council has reviewed the application for the American Legion Post 262 seeking approval of a new Lawful Gambling Premises Permit at the Northeastern Hotel, Saloon & Grille, 115 St. Louis Avenue, and has no objection to the Minnesota Gambling Control Board's issuance of such permit.

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF CLOQUET THIS  $6^{TH}$  DAY OF FEBRUARY 2019.

	Roger Maki, Mayor
ATTEST:	-
Aaron Reeves, City Administrator	_

Rent may not be paid for bar bingo.			
The lease may be terminated by either party with a written <u>50</u> day notice. Other terms:				

Lease Term: The term of this agreement will be concurrent with the premises permit issued by the Gambling Control Board

Management: The owner of the premises or the lessor will not manage the conduct of lawful gambling at the premises. The organization may not conduct any activity on behalf of the lessor on the leased premises.

Participation as Players Prohibited: The lessor will not participate directly or indirectly as a player in any lawful gambling conducted on the premises. The lessor's immediate family and any agents or gambling employees of the lessor will not participate as players in the conduct of lawful gambling on the premises, except as authorized by Minnesota Statutes, Section 349.181.

Illegal Gambling: The lessor is aware of the prohibition against illegal gambling in Minnesota Statutes 609.75, and the penalties for illegal gambling violations in Minnesota Rules 7865.0220, Subpart 3. In addition, the Board may authorize the organization to withhold rent for a period of up to 90 days if the Board determines that illegal gambling occurred on the premises or that the lessor or its employees participated in the illegal gambling or knew of the gambling and did not take prompt action to stop the gambling. Continued tenancy of the organization is authorized without payment of rent during the time period determined by the Board for violations of this provision, as authorized by Minnesota Statutes, Section 349.18, Subd. 1(a).

To the best of the lessor's knowledge, the lessor affirms that any and all games or devices located on the premises are not being used, and are not capable of being used, in a manner that violates the prohibitions against illegal gambling in Minnesota Statutes, Section 609.75.

Notwithstanding Minnesota Rules 7865.0220, Subpart 3, an organization must continue making rent payments under the terms of this lease, if the organization or its agents are found to be solely responsible for any illegal gambling, conducted at this site, that is prohibited by Minnesota Rules 7861.0260, Subpart 1, Item H, or Minnesota Statutes, Section 609.75, unless the organization's agents responsible for the illegal gambling activity are also agents or employees of the lessor.

The lessor must not modify or terminate the lease in whole or in part because the organization reported, to a state or local law enforcement authority or to the Board, the conduct of illegal gambling activity at this site in which the organization did not participate.

Other Prohibitions: The lessor will not impose restrictions on the organization with respect to providers (distributor or linked bingo game provider) of gambling-related equipment and services or in the use of net profits for lawful purposes.

The lessor, the lessor's immediate family, any person residing in the same residence as the lessor, and any agents or employees of the lessor will not require the organization to perform any action that would violate statute or rule. The lessor must not modify or terminate this lease in whole or in part due to the lessor's violation of this provision. If there is a dispute as to whether a violation occurred, the lease will remain in effect pending a final determination by the Compliance Review Group (CRG) of the Board. The lessor agrees to arbitration when a violation of this provision is alleged. The arbitrator shall be the CRG.

Access to Permitted Premises: Consent is given to the Board and its agents, the commissioners of revenue and public safety and their agents, and law enforcement personnel to enter and inspect the permitted premises at any reasonable time during the business hours of the lessor. The organization has access to the premises during any time reasonable and when necessary for the conduct of lawful gambling.

Lessor Records: The lessor must maintain a record of all money received from the organization, and make the record available to the Board and its agents, and the commissioners of revenue and public safety and their agents upon demand. The record must be maintained for 3-1/2 years.

Rent All-Inclusive: Amounts paid as rent by the organization to the lessor are all-inclusive. No other services or expenses provided or contracted by the lessor may be paid by the organization, including but not limited to:

- trash removal
- electricity, heat
- snow removal
- storage
- janitorial and cleaning services
- other utilities or services
- lawn services
- security, security monitoring

Fax:

cost of any communication network or service required to conduct electronic pull-tabs games or electronic bingo - in the case of bar operations, cash shortages.

Any other expenditures made by an organization that is related to a leased premises must be approved by the director of the Board. Rent payments may not be made to an individual.
