Commissioner Krohn wanted to add a report on the Life Jacket Station at Dunlap to the agenda.

COMMUNITY EDUCATION REPORT

R. Reeves gave an update on The Beach and numbers of users this year compared to last year. She also reported the success of the Skatepark Event held Friday July 26th. There were approximately 150 attending, which includes the skateboarders, parents and neighbors. Community Ed would like to make this an annual event. Lastly end of summer and beginning fall activities were highlighted. The fall Lumberlog with class schedules will go out around August 12th.

PUBLIC COMMENTS

PICKLE BALL REPORT:

Bill Hoffman from the Pickle Ball group came in to let the Parks Commission know how well the permanent courts at Churchill are working and the numbers of folks utilizing this new facility. The players have been all ages, even some teens, and are coming from all over, even Duluth. C. Peterson asked how the wind screens are working. One more set needs to go up. They are designed to break away during wind storms so they don't take the fence down with them. Bill stated that this really is the fastest growing sport. Commissioners agree that it's a good sign that the City is keeping up with the trends.

COMMISSIONERS UPDATE

Commissioner Krohn reported the need for more life jackets at the Dunlap Island life jacket station. Staff will advise the CAFD (Cloquet Area Fire District) as part of the program includes replenishing the station as needed.

CITY STAFF REPORT

CIP/BUDGET REVIEW: The Budget and CIP is being reviewed by council at this time.

ACTION ITEMS

- a. Staff provided a proposal from Cloquet Community Education and the Cloquet Parks Department. Due to renters going in early for set up and disrupting an ongoing rental the proposal would be to limit renters to one a day at \$100 vs the current two per day at \$50 each. This will ease the work load for the Parks Department as they have to assess and clean after every rental and the key distribution will be easier for the Community Education office.

Motion by Urbanski and 2nd by Krohn to allow only one rental per day at Dunlap Island, Pine Valley and the Senior Center from 9 a.m. to 6 p.m at the cost of \$100. An exception would be that Monday through Friday evening rentals at the Senior Center at a cost of \$50 will be available. A \$100 damage deposit will be required for all three. Reservations for 2020 will not be accepted until October 15, 2019. Kitchen rentals will be eliminated at the Senior Center, motion carried 5-0.

NEXT MEETING

The next meeting to be held Monday September 9th - 4:30 p.m. location to be determined.
On motion duly carried by a unanimous yeas vote of all members present, the Parks Commission adjourned.

REQUEST FOR ACTION

To: Park Commission
From: Caleb Peterson, Public Works Director
Date: September 9, 2019

ITEM DESCRIPTION: Ski Club Agreement.

Proposed Action

Staff recommends that the Park Commission move to **RECOMMEND ENTERING INTO A LEASE AGREEMENT WITH THE CLOQUET SKI CLUB FOR USE OF THE PINE VALLEY SKI JUMPS.**

Background

The lease agreement with the Ski Club addressing use of the jumps at Pine Valley has expired and must be renewed prior to the 2019-2020 season. The proposed five-year agreement is unchanged from previous years and has worked well in the past.

The original agreement was drafted by the City Attorney with a primary objective of limiting the City's liability. As part of the agreement, the Club is required to maintain liability insurance naming the City as an additional insured. Insurance coverage is to be equal to Minnesota statutory limits for City liability.

Policy Objectives

Park Master Plan Policy 7.1: Partnerships shall be sought to make unique opportunities available to the community and allow for facilities and programs that would otherwise be difficult to achieve by the City alone.

Park Master Plan Policy 7.4: The City shall require formal agreements with those partners providing resources, programs or activities benefiting the community.

Financial/Budget/Grant Considerations

Under the terms of the agreement operations and maintenance of the jumps are the sole responsibility of the Club. Long term, the City will need to address some higher dollar repair and maintenance items which were identified as part of a structural analysis if the jumps are to remain in place.

LEASE AGREEMENT

THIS LEASE AGREEMENT ("Lease") is entered into by and between the CITY OF CLOQUET, a municipal corporation and political subdivision of the state of Minnesota (hereinafter referred to as the "City") and the CLOQUET SKI CLUB, a nonprofit corporation organized under the laws of the state of Minnesota (hereinafter "Tenant");

WITNESSTH

1. Leased Premises. City hereby leases to Tenant the City's existing ski jumps in Pine Valley, including the "in runs, landings, and out runs," but excluding all other portions of the Pine Valley Park including the chalet, slalom hills and cross country ski trails and rights and appurtenances pertaining thereto, if any, as is more particularly described on Exhibit "A" attached hereto ("Land").

2. Term. The Lease shall continue in force for a term (the "Term") of thirty-six (60) months, commencing on the date this Lease is executed.

3. Rent. As rental for the Lease ("Rent"), Tenant will pay City, at the address specified in Section 14 hereof, or such other address as may be designated by City, the sum of One Dollar (\$1.00) per annum payable in advance on the first day of the Term. The City will have no interest in or claim to any revenues the Tenant obtains from its operations on the Leased Premises, including revenue from concession sales, if any.

4. Utilities and Services. During the Term, City will retain all Utility billings in the City's name and agrees to pay all Utility charges billed, if any, for each month in the Term. As used herein, the term "Utilities" shall include, but not be limited to, all sources of energy, power, or materials necessary or useful in the operation of the Leased Premises, including electricity, gas, water, and sanitary sewer furnished to and for the benefit of the Leased Premises. However, at the option of the City, the cost of water use can be shifted to the Tenant at any time upon thirty (30) day written notice. In addition the Tenant shall be responsible for arranging and paying for such garbage and snow removal, janitorial services and security services required by its activities and operations.

5. Taxes. In the event real estate taxes are assessed against the Leased Premises or any portion thereof as a result of this Lease, Tenant shall pay all real estate taxes

assessed against the Leased Premises and shall not allow same to become delinquent. In the event Tenant elects to protest or otherwise dispute the amount of any such taxes with the applicable taxing authority, Tenant will indemnify and hold harmless City from such taxes and any penalties thereon until such protest or dispute is resolved, and will provide City such security necessary to assure Tenant's payment of such taxes. At Tenant's request and at Tenant's sole cost and expense, City agrees to reasonably cooperate with Tenant to resolve such protest or dispute.

6. Signage Use, Releases. Tenant shall have the right to place signs on the Leased Premises; provided, however, that such signage shall first be approved by the City, and such approval is not to be unreasonably withheld or delayed, and shall comply with all applicable governmental ordinances, rules and regulations. Tenant will comply with all applicable laws, ordinances, rules and regulations of any duly constituted public authority relating to the Leased Premises.

7. Maintenance and Repair.

(a) As set forth in Section 8, the Tenant takes possession of the Leased Premises as is, where is, and without any warranties of any nature, express or implied, except for City's warranty that City has good and marketable title to the Leased Premises. Any and all maintenance, repairs or alterations shall be at the sole responsibility of Tenant at Tenant's expense.

(b) Tenant shall have the right to make such alterations to the Leased Premises as are or may be necessary or required for Tenant's contemplated use of the Leased Premises, so long as Tenant obtains the City's prior written consent and any proposed alterations do not alter or compromise the structural integrity of the Leased Premises.

8. Condition of the Leases Premises. Tenant has had the opportunity to inspect the Leased Premises, and particularly the ski jumps, prior to executing this Lease and further agrees to do so on a regular basis during the term of the lease. Tenant accepts the Leased premises as is, where is, and without any warranties of any nature, express or implied, except for City's warranty that the City has good and marketable title to the Leased Premises.

Further the tenant expressly covenants that it accepts the leased premises in "as is, where is" condition and with respect to the existing ski jumps has had the opportunity to

arrange for appropriate professional inspection(s) prior to executing this Lease. The Tenant covenants that it shall undertake such inspections of the ski jumps as in its judgment are necessary prior to commencing operations and shall complete any and all repairs or alterations, improvements and maintenance to insure that the same are in safe, usable, and insurable operating condition before commencing operations on the Leased Premises.

9. Indemnity. Tenant shall defend, indemnify, release and hold harmless the City from any claims, damages or losses whatsoever (whether personal injury, death or property damage) arising out of or connected with this Lease, and specifically the Leased Premises without regard to fault or cause. Tenant's duty to defend, indemnify, release and hold harmless as set forth in this Section extends to claims of tenant and its members, servants, agents, representatives and invitees; to claims from any third party; and to claims of or from Landlord, its officers, officials, servants, agents or representatives arising from the Tenant's lease and use of the leased premises.

10. Tenant's Insurance. Tenant shall, at its sole expense, maintain in effect at all times during the Term from an insurer acceptable to the City, general liability insurance coverage. In addition, Tenant agrees to include the City as an additional named insured on said policy and agrees to maintain limits in an amount equal to the statutory limits found in Minn. Statute Section 466.04, which limits are currently \$500,000 per claimant, \$1,000,000 per occurrence, except that said coverage may contain a limitation to \$2,000,000 aggregate per annum. Upon the occurrence of any claim or event, happening, circumstance or injury which may give rise to a claim, the City shall have the immediate right to terminate this Lease Agreement and close the ski jumps. Tenant shall give the City immediate notice of any claim or of any event, happening, circumstance, or injury which potentially may give rise to a claim. Tenant shall further maintain at its sole expense property damage and worker's compensation coverage as appropriate to its operations. Said insurance policies shall also carry the City as a named insured. Said insurance policies shall provide that the insurer shall not cancel said coverage without thirty (30) days prior written notice to the City. Tenant shall provide a certificate of said insurance coverage annually and upon request of the City.

11. Releases. The Tenant shall obtain from its invitees and each participant in its activities and events both a Release and covenant not to sue the City. The Tenant shall obtain said Release and covenant not to sue in the Release used specifically by the Tenant and in the Release the Tenant obtains on behalf of the United States Ski Association. Releases from participants shall contain an acknowledgment of risk, assumption of risk, and release and discharge of liability, specifically releasing and discharging the City of Cloquet, its officials, officers, employees, agents and representatives.

12. Damage or Destruction. In case of damage to the improvements by fire or other casualty, and at the sole discretion of the City, this Lease shall terminate and the Rent shall be apportioned to the time of the damage. In all other cases where the Leased Premises can be repaired to its original condition, the Tenant, at its option, shall repair the damage at its sole expense, or alternatively, elect to terminate the Lease.

13. Subletting or Assignment Prohibited. Tenant shall not assign its rights under this Lease and any other documents executed in connection with this Lease or Tenant's interest in the Leased Premises, or sublease the Leased Premises to any other entity without the prior written consent of the City.

14. Notices. Any notice which may or shall be given under the Term of Lease shall be in writing and shall either be delivered by hand or sent United States mail, registered or certified, addressed to the parties hereto at the respective addresses set off opposite the names below. Such addresses may be changed from time to time by either party giving notice as provided above. Notice shall be deemed delivered when received by the addressee (if delivered by hand) or when postmarked (if sent by mail).

WARNING: The Ski Club fully understands and acknowledges that there are certain risks and dangers inherent in ski jumping both generally and specifically on City property. The Ski Club understands that ski jumping is a dangerous activity and that there are many hidden hazards that may exist on the property such as, holes, unseen terrain irregularities, wind, the physical condition of the ski jumps, and the existence of unauthorized and potentially careless persons on the land, including other skiers, or other risks that may injure or cause death or damage to persons or property on the premises. DUTY TO INSPECT: The Ski Club further accepts and understands that it has been given an opportunity to fully examine the property and the ski jumps it is leasing and fully accepts and agrees to lease the property in its current condition "As Is" with all existing faults and conditions. The Ski Club also warrants it will have the ski jumps professionally inspected prior to use and will complete any repairs or install any recommended maintenance or improvements at their sole cost prior to use. It is also understood that any risks and dangers mentioned above may be caused by unforeseen action and/or the negligence of the City, employees of the City, officers or agents of the City, or the negligence of others that the Ski Club invites onto the property or the negligence of third-party contractors and invitees that may be on the premises while the Ski Club is using the premises.

ASSUMPTION OF RISK: The Ski Club acknowledges and is fully aware of the risks involved and the voluntary leasing of this property and premises for ski jumping purposes and hereby assumes all risks and dangers and all responsibilities for any losses, injuries and/or damages, whether caused in whole or in part by the negligence or other conduct of City, its agents, officers, invitees or employees. However, the Ski Club understands this assumption of the risk does not apply to the intentional willful or wanton acts of the City.

STATEMENT OF WAIVER: The Ski Club, on behalf of its officers directors, agents and members, and insurers, hereby voluntarily agrees to release, waive, discharge, hold harmless, defend and indemnify the City of Cloquet its officers, agents, past and present council members, and employees, for any and all claims, actions, or losses for bodily injury, property damage, wrongful death or otherwise which may arise out of the use of the leased premises for ski jumping. The Ski Club specifically understands it is releasing, discharging, and waiving any claims or actions that it may have presently or in the future for negligent acts, by the City, or their officers, agents or employees and that this waiver is intended to cover our entire period of time as Lessor. To the fullest extent permitted by law the Ski Club understands that if an action is brought against the City of Cloquet or any of its employees, council members, agents or insurers which in any way arises out of the Ski Club's use or occupancy of the Leased Premises, that as Lessee the Ski Club agrees to indemnify and defend all actions at its expense and will agree to pay all attorney fees, court costs and other expenses of any kind and character and satisfy any judgment rendered against the City of Cloquet that may arise from its use of the Leased Premises.
