915 CLOQUET AVENUE - DECLARING A VACANT AND HAZARDOUS BUILDING AND SETTING A PUBLIC HEARING DATE FOR PURCHASE OR CONDEMNATION

MOTION:

Councilor Jaakola moved and Councilor Carlson seconded the motion to approve RESOLUTION NO. 21-79, DECLARING 915 CLOQUET AVENUE A VACANT AND HAZARDOUS SUBSTANDARD BUILDING AND SETTING A PUBLIC HEARING FEBRUARY 1, 2022 FOR CITY ACQUISITION (VIA PURCHASE OR CONDEMNATION) OF 915 CLOQUET AVENUE. The motion carried unanimously (5-0)

WHEREAS, pursuant to Cloquet City Code §§ 10.3.07 subd. 1 and 7.1.01 to 7.1.07 and Minn. Stat. §§ 463.152 and Chapter 117, the City Council of the City of Cloquet finds the building on the property located at 915 Cloquet Avenue (PINs 06-275-1460 and 06-275-1480) a vacant hazardous and substandard building and a public nuisance for the following reasons:

- 1. An annual liquor license inspection was conducted on March 4, 2020 by the Cloquet Building Official which concluded there was visible deterioration that required reinspection on July 14, 2020. The reinspection on July 14, 2020 found a leaking roof and east wall brick deterioration. The report concludes that the property needs immediate repairs to the bulging exterior brick and that the roof has failed and requires complete replacement, and to disconnect the roof drains which are discharging into the sanitary sewer system as it is a regional WLSSD violation.
- 2. On September 10, 2020, the Building Official issued an Order to Repair the deteriorated brick and leaking roof pursuant to City Code § 10.5 and Minn. Stat. § 326B.101 providing 90 days to comply. The City Building Official further issued an extension on the Order to Repair on January 14, 2021, providing a final repair deadline of April 15, 2021 which was personally served to the owner via process server. There has been no response or attempt to repair the building.
- 3. The property has been disconnected from water and sewer as of November 2, 2021 and gas utility service since October 6, 2021. Water and sewer service are required by Cloquet City Code § 10.3.05 subd. 2 subp. B.
- 4. On December 15, 2021, the Building Official issued a notice declaring the property a Vacant Hazardous Substandard Building and a Public Nuisance due to further deterioration and failure to respond to prior Orders to Repair and make necessary repairs to the building to ensure safety of the occupants and general public.

WHEREAS, the building located at 915 Cloquet Avenue is sitting vacant in an urban commercial district and has been determined to be a structurally substandard structure. That said building was inspected by the City Building Official and found to be in

violation of State Building Code and City Code involving the roof and roof framing elements (the roof has failed and requires complete replacement), exterior envelope (east wall face exterior brick is deteriorating and bulging) and utilities (lacks water/sewer as of 11/02/2021 and gas as of 10/06/2021), and that the order to repair has not been complied with and the violations have not been remedied after two orders to repair have been issued and served to cure the noncompliance, meeting the definition of a substandard structure comprising a blighted area, pursuant to Minnesota Statutes Sec. 117.025, subds. 6 & 7.

WHEREAS, it has further been determined that the building located at 915 Cloquet Avenue, due to inadequate maintenance, dilapidation, physical damage, unsanitary condition, and abandonment, constitutes a fire hazard and a hazard to public safety and health, and has therefore been declared to be a hazardous (and substandard) structure pursuant to Minnesota Statutes Sec. 463.15, subd. 3.

WHEREAS, the public interest requires that municipalities be authorized to acquire buildings, and real estate on which buildings are located, which are found to be hazardous (and substandard) within the meaning of Sec. 463.15, subd. 3, and the acquisition of such buildings and real estate is declared to be a public purpose, under Minnesota Statutes Sec. 463.152, subd. 1.

WHEREAS, the governing body of any municipality may therefore acquire any such hazardous (and substandard) building, or real estate on which any such building is located, by eminent domain in the manner provided by chapter 117, pursuant to Minnesota Statutes Sec. 463.152, subd. 2.

WHEREAS, the conditions listed above, which are more fully documented in the Building Inspection photos and Report prepared by Building Official Matt Munter on July 14, 2020, a copy of which is attached hereto as Exhibit A, along with the final report declaring the property a Vacant Hazardous Building and a Public Nuisance attached hereto as Exhibit B, which conditions have further deteriorated to date, make clear that due to years of neglect and failure to repair the leaking roof and deteriorating brick on the east exterior wall, the building located on the property at 915 Cloquet Avenue constitutes a hazard to public health and safety, and is therefore declared a Vacant Hazardous Substandard Building and a Public Nuisance that is subject to condemnation proceedings by the City of Cloquet; and

WHEREAS, the complete legal description for the property at 915 Cloquet Avenue is as follows:

Lots 15 and 16, Block 5, NELSON'S SUB-DIVISION OF OUTLOTS 35, 36 & 40 OF THE VILLAGE, NOW CITY, OF CLOQUET, according to the plat thereof on file and of record in the office of the County Recorder in and for Carlton County, Minnesota.

Parcel ID Nos.: 06-275-1460 and 06-275-1480.

Hereinafter the "Property."

WHEREAS, the owners of record of the Property are Felipe A. Mata and Carlos G. Villareal, of which Mr. Villareal is deceased (herein OWNER); and

WHEREAS, the City is authorized to declare the Property a Vacant Hazardous Substandard Building and a Public Nuisance;

WHEREAS, the City is authorized to hold a public hearing for the purchase or condemnation of the Property; and

WHEREAS, the City is authorized to acquire the Property by direct purchase or by condemnation pursuant to Minn. Stat. § 412.211, 463.152 and Chapter 117 of the Minnesota Statutes; and

WHEREAS, OWNER and their successors and assigns have failed to comply with the September 11, 2020 and January 14, 2021 Orders to Repair the deteriorated and bulging brick on the exterior east wall and replace the roof and disconnect the roof drains from the sanitary sewer; and

WHEREAS, the City may proceed with obtaining the Property by Judgment of the District Court through condemnation proceedings, allowing City to take the property and thereafter transfer to a contractor to perform the necessary repairs and redevelopment;

WHEREAS, the City of Cloquet's Economic Development Department has funds and authority to pay for the acquisition of the property and aid in redevelopment of the Property after acquisition, including but not limited to working with the City Attorney to prepare and file appropriate court documents, zoning changes, obtain property survey(s), collecting bids from contractors, and review of development agreements; and

WHEREAS, pursuant to a search of the records of the Carlton County Recorder's Office, the City does not find and is not aware of any lienholder of record of said parcel other than Carlton County for partially unpaid taxes for the second half of the year 2021;

WHEREAS, the City Council of the City of Cloquet has considered this matter and believes that it is in the best interests of the City to acquire the property by direct purchase through good faith negotiation, or if an agreement cannot be reached, through the exercise of the City's power of Eminent Domain under the quick-take provisions.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CLOQUET, MINNESOTA, as follows:

- 1. The City declares the Property a Vacant Hazardous Substandard Building and a Public Nuisance due to failure to respond to prior Orders to Repair and make necessary repairs to the building to ensure safety of the occupants and general public.
- 2. The City will hold a public hearing for the City to acquire (via purchase or condemnation) the Property at least 30 days after proper notice can be given and published.
- 3. The City finds that the condemnation, repair, and redevelopment will remove a danger and hazard to public safety, and redevelopment will result in a significant public benefit to the City's business base and provide new opportunities for economic growth.
- 4. That the Property be acquired by the City by direct purchase through good faith negotiation (pursuant to Minn. Stat. § 117.036) for no more than the appraised value of \$8,000.00 (plus costs pursuant to Minn. Stat. § 117.232) unless further approved by this Council, or if an agreement cannot be reached, by condemnation through the exercise of the City's power of Eminent Domain subject to further approval following a public hearing.
- 5. That pursuant to the foregoing findings and in accordance with Cloquet City Code § 10.5 and Minn. Stat. § 326B.101 (as appropriate), the Council orders the condemnation, repair, and redevelopment of the Property subject to further approval following a public hearing, which constitutes a Vacant Hazardous Building and a Public Nuisance, which repair and redevelopment shall be commenced by the City at the conclusion of a condemnation proceeding commenced in Carlton County District Court if City is unable to first acquire the property by direct purchase in lieu of condemnation proceedings subject to further approval following a public hearing.
- 6. OWNER and their successors and assigns have 20 days from the date of service of this Resolution/Order to serve an answer in the manner provided for the service of an answer in a civil action, specifically denying such facts in the Resolution/Order as are in dispute; or to provide an acceptance of an offer to purchase by the City for the estimated market value of the property valued at \$8,000.00.
- 7. That the City Attorney working with the City Administrator and Community Development Director are authorized to proceed with the preparation of all documents and the taking of all actions necessary for enforcement of this Resolution/Order, including negotiating with the OWNER and their successors and assigns for direct purchase in lieu of condemnation, the filing of an action in the District Court including a condemnation action if required, subject to further approval following a public hearing, for any appropriate Order needed, preparation and filing of appropriate zoning changes, obtain property survey(s), collecting bids from contractors, and review of development agreements.

ITEM DESCRIPTION:

Authorizing the Solicitation of Bids for Proposed Reduced Conflict

Intersection at Highway 33 and Gillette Road

Proposed Action

Staff recommends the City Council move to approve RESOLUTION NO. 22-02, A RESOLUTION AUTHORIZING THE SOLICITATION OF BIDS FOR SAP 112-010-005.

Background/Overview

Plans for the proposed reduced conflict intersection (RCI) at Highway 33 and Gillette Rd are complete and the project is ready for bidding. The City was awarded a \$665,000 Transportation Economic Development Grant to compete this improvement in coordination with the Minnesota Department of Transportation (MnDOT). The project is intended to prepare the intersection for future traffic impacts expected from further development along the South Highway 33 corridor.

The project budget includes \$285,000 of sales tax funding however, the engineers estimate for this improvement has gone up in recent months and the City's portion is now \$442,985 (\$157,985 over budget). Recognizing the importance of the project, MnDOT has agreed to allocate 70% or \$110,571 of the necessary funding. The remaining \$47,387 could be taken from the City's Municipal State Aid (gas tax) allocation if required.

Due to the projected budget shortfall, it is recommended the City take over bidding of this improvement. Through negotiation of an agreement with the State of Minnesota, it was discovered the City would not have the option to reject bids the project was contracted by MnDOT. To protect the City's budgetary interests, City staff will solicit and award bids for this project using MnDOT as our no-fee consultant engineer. This will ensure City Council has the option to reject all bids in the event of budgetary concerns.

Policy Objectives

To advance proposed capital improvement projects in accordance with state law.

The Pine Knot News, a local community newspaper published on Fridays and located in Cloquet, respectfully presents the following bid for printing all official business for the City of Cloquet in 2022.

The Pine Knot News meets the State of Minnesota's requirements of a legal newspaper, as presented in Minnesota Statute Section 331A.01 Sudb. 8.

The bid is for \$8.00 per column-inch; the Minnesota Newspaper Association Index for the proposed rate is 0.708. The bid is for a Standard Advertising Unit of 7 points and column-width of 1.57 inch (9.42 picas) in six-column broadsheet format.

MNA Index:

9.42 picas per line x 12 points per pica = 113 points per line
9 lines per inch x 113 points per line = 1017 points per inch
1017 points per inch ÷ 90 points lowercase alphabet = 11.3 LCA per inch
\$8.00 per inch ÷ 11.3 LCA per inch → 0.708 index

Standing Rules of the City Council

Proposed Action

Staff recommends that the City Council move to approve the Standing Rules of the City Council as last amended in February 2021 (meeting time change).

Background/Overview

Each year the Council is asked to consider the approval of the Standing Rules of the Council as one of the annual housekeeping items.

The Standing Rules of the Council details the process and procedures used by the City Council to govern its City Council meetings. The current rules were last revised and approved in February of 2021. Staff has no recommended changes at this time.

Policy Objectives

The City is not required to have on file detailed Standing Rules. Typically, these rules are part of City Code, Minnesota Statute or Roberts Rules of Order. Under Rule 10, if the City Council was to consider changes to the rules, such changes could not be adopted until the next meeting of the City Council.

CITY OF CLOQUET STANDING RULES FOR CONDUCTING CITY COUNCIL MEETINGS

INTRODUCTION

In the belief that the best decisions are made by the best informed decision makers and that public decisions are best served when the public has every opportunity to present views, the following rules are established to govern Regular and Special Council meetings as well as formal public hearings. There are several goals behind these rules.

- In general, free and open discussion by all interested parties should be an essential part of the decision-making process.
- The Council process should have as little procedural overhead as possible.
- Time is better spent on substantial matters rather than Performa matters.

RULE 1. MEMBERSHIP

The formal Council membership consists of six Council members and the Mayor. All seven have one vote each and all seven can introduce motions.

RULE 2. PRESIDING OFFICER

The Mayor shall preside at all meetings of the Council, and in case of the non-attendance of the Mayor at any meeting, the Acting Mayor of the Council shall preside and be considered the Chairperson at the meeting. In the case that both the Mayor and Acting Mayor of the Council should be absent, the Council shall appoint a Chairperson from the members present.

The presiding officer is entitled to participate in the discussion and debate, and is entitled to vote on all business before the Council. Because the presiding officer conducts the meeting, it is common courtesy for the Chairperson to take a less active role than other members of the Council in debates and discussions. This practice in no way precludes the presiding officer from participating in the meeting fully and freely.

RULE 3. QUORUM

At all meetings of the Council a quorum is required to do official business. A quorum of the Council shall consist of four (4) members.

RULE 4. REGULAR MEETING

The Regular City Council meeting shall be held at 6:00 p.m. on the first and third Tuesday of each month, unless that day is a legal holiday, in which case no meeting shall be held.

Roll Call and Order of Business

At the hour appointed for the meeting, the members shall be called to order by the Mayor, or in his/her absence by the Acting Mayor, or in the absence of the Mayor and Acting Mayor of the Council, by the City Administrator/Clerk, who shall proceed to call the roll, note the absentees and announce whether a quorum be present. Upon the appearance of a quorum, the Council shall then proceed to the business before them, which shall be conducted in the order following:

- 1. Roll Call
- 2. Pledge of Allegiance
- 3. Approval of Agenda
- 4. Approval of Minutes
- 5. Public Comments

- 6. Consent Calendar
- 7. Public Hearings
- 8. Presentations
- 9. Council Business
- 10. Council Comments, Announcements and Updates
- 11. Adjournment

Communication from the Mayor may be presented at any time, except when other business is under consideration.

The Mayor may at any time permit a member to introduce an Ordinance, Motion or Resolution, out of the regular order for the same, provided two-thirds of the members present shall concur.

Agenda

To be considered, an item must be on the agenda and the agenda must be distributed to all the Council members and any other persons having responsibility for an item at least three working days prior to the meeting. An agenda can be modified or amended with addendum by a majority vote but this should be used only for minor items or items with extreme time constraints.

An item can be moved from the consent agenda to the action agenda at the request of the Mayor or Council member.

With there being a live streaming and in-person audience who are not as familiar with each item, the Mayor and/or City Staff will give a brief explanation of each item as it is addressed.

The order of items on the agenda need not be followed absolutely. The Mayor may adjust the order in the interest of:

- Fill in time before a scheduled item, i.e., a public hearing
- Grouping several items to best make use of consultant time
- Accommodating individuals who have attended the meeting specifically to provide input on an item

Process for Regular and Special Council Meetings

For these proceedings the Council will use the "open discussion" procedure. That is, discussion is open to any member before or after a motion is made. The privilege is also extended to the City Administrator, Department Heads and any of the consultants who may have an interest in or can contribute to the item at hand.

The standard motion procedure is that each motion requires a second. This also applies to amendments. Any motion, by any member, shall be reduced to writing upon request of any member. No motion shall be put to a vote until it has been stated by the recorder at the request of any member of the Council.

To eliminate confusion, only one amendment will be considered at a time and that amendment must be germane to the motion. An amendment cannot itself be amended. If a change to an amendment is deemed appropriate, the amendment should be withdrawn and reintroduced accordingly.

The general mode of voting will be by acclamation but with enough clarity that individual votes can be recorded in the minutes. If in doubt, the recording secretary can request clarification. Each individual's vote will be entered in the minutes.

Any member may abstain from voting or disqualify himself/herself. The reason for disqualification or abstention must be stated by the member and entered into the minutes. If a member disqualifies himself/herself, he/she may leave the room while the issue is being considered.

Roberts Rules of Order (revised) shall govern the City Council procedures not covered by the Standing Rules of the City Council.

The meeting will be videotaped and the tape will be retained for three (3) months following approval of the minutes of the meeting. The standard retention can be extended if in the judgment of the Mayor, City Administrator/Clerk or any other Council member, such action is warranted.

If the Council action is the result of a resident request and that request is denied in whole or in part, reasons of the fact supporting the denial will be made part of the public record.

Proper notices in writing of special sessions of the Council, called by the Mayor or any two members of the Council, shall be served upon the members of the Council. A copy of the notice thus served shall be entered upon the journal of the Council, said notice shall state the objects for which such meeting is called, and the action of such be confined to the objects stated.

Process Public Hearing

Since a public hearing is a more formal procedure and often requires certain procedures and actions to be legal, the meeting rules are changed accordingly.

The primary aim of a public hearing is to take input from the public. To accomplish this in the most effective manner, the Mayor will introduce the hearing with an explanation of the issues. The Mayor, or a person designated by the Mayor, will give this explanation. The use of explanatory visual aids is encouraged.

Following the explanation, the Mayor will open discussion for clarifying questions from the Council and then proceed to open discussion to receive input from the public. Prior to accepting public input, the Mayor will state the areas where input will be appropriate, the maximum time to be allotted to any individual presenter, and any other procedural rules deemed appropriate to guarantee that all concerned parties have a fair and adequate opportunity to be heard.

All individuals wishing to speak must provide their name and address and speak into a recording microphone. Individuals not wishing to speak in public may provide a written statement. If the Council decides not to act on the issue at the public hearing meeting, it may, by majority, vote to extend the time where written input will be taken to a day not later than one week before the next meeting where a deciding vote is planned.

All speakers are expected to be business like, to the point and courteous. Anyone not abiding by these rules will be considered to be out of order.

The Council will refrain from initiating a discussion during the public input phase of the hearing except to clarify points brought up.

Once the public testimony phase is complete, the Mayor will announce the public hearing to be closed and the Council will revert back to its open discussion mode of operation. From this point on, public input will only be appropriate when solicited by the

It shall be the intent of the Council to vote on the issue at the same meeting as the public hearing and as close in time to the public hearing as possible. Should it be necessary to defer voting until a later date, the procedure will be clearly explained to the audience.

If the motion contains conditions, as may occur in certain planning cases such as a permit request, those conditions will be conveyed in writing to the requestor.

If the public hearing is the result of a resident request and that request is denied in whole or in part, reasons of fact supporting the denial will be made part of the public record.

Work Session Meetings

The Council may call and hold Work Sessions for the purpose of conducting a detailed and thorough exploration of matters that may properly come before the City Council. Council Work Sessions will be called from time to time, as the Mayor and Council deem necessary. The following rules shall prevail for the call and conduct of Work Session meetings:

- **Presiding Officer** The Mayor, or Acting Mayor in his/her absence, acts as the presiding officer of all Work Session meetings. However, the process is to be considered much less formal than a Regular Meeting.
- Agenda Only a limited number of matters shall be considered by the Council
 during a Work Session, and sufficient time for consideration of such matters shall
 be provided. An abbreviated agenda order shall be used for all Work Session
 agendas.
- Documents and Exhibits to be Presented When possible, staff shall make available to the Council all documents, exhibits, maps, specifications or other similar documents prior to the meeting. However, due to the nature of many items it is understood that materials will frequently be presented at the meeting itself.
- Technical Questions/Discussion All questions of a technical nature, which
 Require a detailed explanation for understanding, may be considered in a Work
 Session. The appropriate Staff with the expertise to answer such questions shall
 be present at the meeting to assist the Council with any questions it may have.
 In addition to questions, the Council is asked to participate in the discussions
 such that an item can be fully vetted and to provide staff with enough clarity as to
 issues that may need further research and investigation prior to the item coming
 before the Council at a Regular Meeting.
- Prohibitions Against Formal Actions No formal actions may be taken at a
 Work Session. Council may provide Staff direction on the matter being
 considered and ask that the item be placed on a future Regular or Special
 Meeting agenda for formal action.
- Audience Comments or Questions Audience comments or questions will not be considered at a Work Session.

REQUEST FOR COUNCIL ACTION

To:

Mayor and City Council

From:

Caleb Peterson, Public Works Director

Reviewed By:

Tim Peterson, City Administrator

ITEM DESCRIPTION:

Community Education Agreement

Proposed Action

Staff recommends the City Council move to approve the 2022-2023 Agreement with Cloquet ISD #94 and Cloquet Community Education.

Background/Overview

For many years, the City has contracted with the Cloquet School District and Community Education to staff and manage Cloquet's community recreation program. This cooperative agreement has allowed for increased efficiency, as well as the collaboration of resources while meeting a common goal of promoting recreational activities which increase quality of life in Cloquet.

Under the terms of the Agreement, nine services are to be provided by Community Education in return for the City's annual contribution. Examples of services include implementation of a community recreation program and the staffing and management of the Pinehurst Pond and the Red Cross swim program. Either party may terminate the agreement given 90 days written notice.

Policy Objectives

Park Master Plan Policy 7.1: Partnerships shall be sought to make unique opportunities available to the community and allow for facilities and programs that would otherwise be difficult to achieve by the City alone.

Park Master Plan Policy 7.4: The City shall require formal agreements with those partners providing resources, programs or activities benefiting the community.

Financial/Budget/Grant Considerations

The park operations budget includes funding for this Agreement each year. Payments are made quarterly and the City has the option to terminate this Agreement at any time. The agreement remains unchanged from the previous year minus a negotiated 3% annual increase to the contract.

Advisory Committee/Commission Action

None.

COMMUNITY EDUCATION AGREEMENT

The City of Cloquet, by and through its Parks Commission, hereinafter called "City," and Independent School District #94 operating the Community Education Program in the City of Cloquet, hereinafter called "District," have entered into an agreement pursuant to statutes as follows:

WHEREAS, the City has and is desirous of utilizing the Community Education Program for supervision, development, implementation, management, control and scheduling activities of the recreation program, Cloquet sport associations and programs consisting of general health; and

WHEREAS, the City has the authority pursuant to Minnesota Statutes 471.15 and 471.16 and, also, general authority under Minnesota Statutes for the operation of and maintenance of the general health and welfare of the residents of the City, and

WHEREAS, the District currently operates and manages a Community Education Program for the citizens of Cloquet.

NOW, THEREFORE, BE IT RESOLVED, that the City hereby contracts with the District to provide the following services:

- 1. Administer a year-round program of recreation and leisure time services through the offices of the Community Education Director providing all office, telephone, and material costs necessary for said program.
- 2. Administer adult recreation leagues and promote group recreational opportunities for adults of all ages.
- 3. Operation of a variety of youth and adult education programs that are considered recreation. Examples of these types of programs include, but are not limited to arts and crafts, sports classes (such as skiing, tennis, swimming), or fitness programs.
- 4. Pay for the wages and materials for a variety of adult and youth recreation programs developed and directed by Community Education, including but not limited to school year swim programs, park programs, summer programs, recreation leagues and special events. Sport Associations who develop and direct their sports programs will pay for wages and materials as directed by their bylaws and written agreements with the city.
- 5. Provide the necessary staff and support personnel for the operation and management of Pinehurst Pool during the summer months and the administration of the Red Cross Swim Program for adults and students. The staff is provided by Community Education and the city will reimburse Community Education as otherwise agreed for wages of such employees.

- 6. Provide staff for scheduling facilities and the scheduling system for the following city parks/facilities: Athletic, Dunlap Island, Hilltop, Pinehurst, Pine Valley, Sunnyside, Veterans and Senior Center (after 4p.m.) following the City of Cloquet Parks & Recreation Facility Policy with the goal in mind to maximize the use of the public facilities. Keys for the Pine Valley Chalet and Senior Center will be distributed through the Community Education office.
- 7. Coordinate and encourage the efforts of the Cloquet Sports Associations in the scheduling of fields and courts. Community Education will set a semi-annual meeting for the associations to discuss scheduling and other matters that they may deem necessary.
- 8. Operate and pay wages of the staff and purchase materials needed for the operation of after school programming at Washington School, Churchill School and the Cloquet Middle School as agreed upon by both parties.
- 9. Handle marketing for the recreation programs in the same manner as all other Cloquet Community Education programs. This will also include the Pine Valley Winter Recreation Area, the Senior Center or other park areas as appropriate.

TERM OF AGREEMENT

This Agreement will be in effect from January 1, 2022 through December 31, 2023. In enumeration for said services, the City hereby agrees to pay to the District the following yearly amount on a quarterly basis:

The City further agrees to pay one-half the cost of insurance benefits for a Community Education Secretarial position in the approximate amount of \$4,500. The exact amount of said benefits shall be determined annually and reimbursed to Cloquet Community Education via invoice independent from regular quarterly agreement payments. In doing so, it is agreed that a minimum of one-half of the position's time will be dedicated to fulfilling duties of this contract.

This Agreement will expire on December 31, 2023. Either party may terminate this Agreement by giving a 90 day written notice to the other party of its intent. Written notice shall be given by either party to the other party at the following addresses:

City of Cloquet City Administrator 1307 Cloquet Avenue Cloquet, MN 55720 ISD #94 Community Education Director 509 Carlton Avenue Cloquet, MN 55720 It is the understanding of both the District and the City that the primary responsibility of the District is to develop, organize, publicize and manage activities as outlined above through the mutual agreement between the City's representative, the Parks Commission, and District's representative, and the Community Education Director. Activities are held in or on facilities controlled by the City and by the School District. Should a lawsuit result from the operation of one of these activities, defense and liability, if any, must be determined on a case by case basis.
