### REQUEST FOR ACTION

---

To: Park Commission  
From: Caleb Peterson, Public Works Director  
Date: February 7, 2022

---

**ITEM DESCRIPTION:** Mettner Field Scoreboard Purchase

---

#### **Proposed Action**

Staff recommends the Park Commission **MOVE TO APPROVE THE PURCHASE OF ALL AMERICAN SCOREBOARD FROM BSN SPORTS IN THE AMMOUNT OF \$15301.63.**

#### **Background/Overview**

The scoreboard at Mettner Field is 35 years old and is at the end of its useful life. Replacement of bulbs and other components has proven expensive and, in some cases, not possible due to parts being obsolete. Discussion between various groups has proven beneficial as Northland Baseball has fundraised the entire amount required to purchase the new scoreboard through local business donations.

City staff will remove scoreboard and existing footings. Additional staff time will be required for construction of footings rated for the new scoreboard.

#### **Policy Objectives**

Policy 7.1: Partnerships shall be sought to make unique opportunities available to the community and allow for facilities and programs that would otherwise be difficult to achieve by the city alone. Partnerships might also be pursued to allow the system to expand and take advantage of regional resources.

Policy 7.4: The city shall require formal agreements with all partners providing resources, programs, or activities benefiting the community.

#### **Financial/Budget/Grant Considerations**

The scoreboard will be fully funded through donations from Northwoods Credit Union, Chippewa Water and FOE The Eagles Club.

Cost of engineering and new footings are estimated to be \$4,000.

#### **Supporting Documentation Attached**

- Scoreboard Agreements
- Scoreboard Spec Sheet
