ATTACH A VOIDED CHECK OR COPY OF CHECK WITH VOID WRITTEN ON IT WITH THIS FORM.

*** Adding a new direct deposit or changing account type, bank identification number or account number requires a prenote to be sent to the bank before the add or change becomes effective. A prenote sends your account type, bank ID and account number to the bank to assure the accuracy of the numbers. Changes should be effective 5 to 15 days after the agency enters the direct deposit in the payroll system. You will receive checks until the prenoting process is complete.**

Remarks

I authorize the City of Cloquet Finance Department and my financial institutions indicated above to initiate electronic credit entries (direct deposit) of the amounts I designated and if necessary, debit entries and adjustments for any credit entries made in error to my accounts as I indicated above. I understand that this authorization will cause any previously authorized direct deposits to financial institutions to be discontinued.

Payroll Direct Deposit Authorization Form Instructions

Boxes In The Upper Right-Hand Corner Of Form: Check the applicable box. To stop all direct deposits, check the stop box and sign and date the form.

Priority Number: Indicate which direct deposit account should receive funds first, second, or third.

Bank ID Number and Account Number: If you are not sure what these numbers are, contact your financial institution. Credit unions may not have the correct bank ID number and account number needed for direct deposit printed on their checks. If applying for direct deposit to a credit union, contact the credit union for the numbers and for the type of account to select. (These numbers are correct on Members COOP Credit Union checks.)

Deposit Type: Select amount, balance or percent. Fill in the amount or percent (%). There must be one distribution with balance selected, or a distribution of 100%.

Account Type: If you have accounts other than checking or savings (such as a loan), ask your financial institution which type of account to select.

Percent Of Net Pay Or Dollar Amount: Each direct deposit must have either a percent of net pay or a dollar amount, except for Deposit Type Balance.

Effective Date: If the information you provide is correct, your direct deposit will be effective approximately 5 to 15 business days after the agency enters the direct deposit in the payroll system. Deposits will be in accounts sometime on payday (usually Thursday). The financial institution must post the deposit on payday, but may do so anytime on payday. Even if the financial institution posts it early on payday, a few automatic teller machines (ATMs) may not register the deposit until the day after payday. Ask your financial institution when the deposit will be available. If you have a problem with a deposit on payday (i.e., the ATM does not reflect the deposit), ask the direct deposit representative at your financial institution when it will post the deposit.

Notice: All data on this form is private data, in accordance with Minnesota Statute 13.43, except for employee name, employee ID number, agency name and work phone. The private data is not legally required; however, by not providing it, your direct deposit transaction will not be assured of going to the correct financial institution, to the correct account or that the correct amount will be posted accurately. The private data listed on this form is available to representatives of your agency and employees of the City who perform personnel or payroll related functions, provided such individuals have a business reason to access the data. Others who may legally access this information are representatives of the Attorney General, our internal auditors, and State Auditor, enforcement agencies with statutory authority and persons/entities authorized by law or court order.
